EXPERIENCE

Klarna, London — *Lead iOS Engineer & Competence Lead - Card & Banking*

DECEMBER 2023 - PRESENT

Currently working on the main Klarna app, retrofitting offline mode capabilities. As a Competence Lead I run the iOS Forum and offer mentorship to more junior iOS engineers.

Klarna, London — *Lead iOS Engineer & Accountable Lead*

JULY 2021 - DECEMBER 2023

Continued to work on the Hero app, post acquisition. Promoted to Accountable Lead of the App Core team, where I was responsible for roadmap delivery, team management & feature development.

HERO®, London — *Lead iOS Engineer & Engineering Manager*

MAY 2015 - JULY 2021

First employee of HERO, and stayed here through to acquisition by Klarna. Responsible for the development of the app and promoting good design and engineering habits in the rest of the business.

Monitise Create, London — *iOS Engineer*

SEPTEMBER 2013 - MAY 2015

Worked as part of the core delivery team on several high profile apps - FIFA World Cup Brazil, the Hub by Premier Inn and Coutts Bank.

Grapple Mobile, London — *iOS Engineer*

SEPTEMBER 2013 - MAY 2015

Worked on a range of apps, including McDonalds, BT and the Post Office.

EDUCATION

Bournemouth University, Bournemouth — *BSc Computing*

SEPTEMBER 2016 - AUGUST 2010

Server and client side programming with a focus on web development.
